Carlinghow Academy Homework and Home Learning Plan

Dear Parents/Carers,

I would like to share some exciting news about how we are looking to develop our interaction with school at home. We are introducing a program called 'Seesaw'. Your child will be able to complete tasks, and share photos and videos of their work.
Seesaw will be used for weekly homework and in the event of any bubble closures or periods of isolation.

We will shortly be sending a guide of how to use the Seesaw app and a letter with an individual QR code for your child which allows them to securely access their **own** account only.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: https://web.seesaw.me/privacy.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent.

We thank you for helping us create this safe space for children and school to communicate and share their learning!

Miss D Worthington
Principal

I give permission for my child _____ in _____ class to use **Seesaw** for class and home activities.

Signed_____ Date_____

My child has access to an IPad/Laptop at home (tick where appropriate):

     Yes   **No**

My child has access to the Internet at home (tick where appropriate):

     Yes   **No**
