

# Class 3/4L Newsletter

'We can and will succeed'

Staff in Class: Miss Watson (Class Teacher), Mr Brayshaw (Class cover) Mrs Chapman

### Message from the staff:

I would like to say thank you to the children in Class 3/4L for making me feel so welcome this week! We have had a great start to our Summer term and I am looking forward to our learning for our Predator topic! If you have any questions please feel free to come and see me when you collect your child at the end of the school day.  
Miss Watson

### Class Topic:

Our topic this half-term is 'Predator.' We will be learning about the habitats of predators such as Peregrine Falcons and how to use a compass to locate countries and continents on a map. We will use computing technology to design a cross-sectional diagram of a predator. We will then use the design to help us create a collage using a variety of materials.

technology to design a cross-sectional diagram of a predator. We will then use the design to help us create a collage using a variety of materials.

### Science:

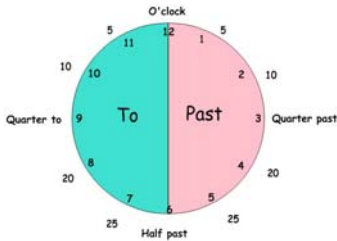

Our topic is 'Rocks.' We will explore how mountains and fossils are formed. Learn to recognise the differences between igneous, sedimentary and metamorphic rocks along with by the end of the topic being able to identify common rocks.

### Maths:

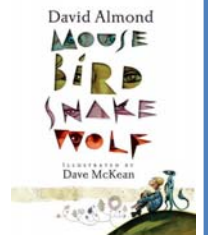

We are continuing with our fraction work in maths and will be learning how to investigate and record equivalent fractions.

We will then move onto the topic of time. Learning about telling the

### English:

This half-term's English text is Mouse, Bird, Snake, Wolf. We will be learning about creations and writing our own character descriptions, exploring poetry and writing a persuasive argument.

### VIPERS

We will learn to use the reading skills characterisation and inference when reading our VIPERS text 'The ways of the wolf.'

PE: In our P.E lessons we will be learning how create speed and use explosive strength.

We will use these skills to learn how to use the javelin and gradually improve our technique with improved skill and accuracy.

### PSHCE:

In our 'Relationships' topic we will be learning how to identify and practise the skills of friendship, learn to what is means to be a global citizen.

### MFL

In French this half-term we will be learning to say and understand fruits, vegetables and breakfast foods. We will also learn how to ask for an item of food.

**How parents can help at home:** Please keep supporting your children with logging onto Seesaw to access their homework which is sent each Friday. Homework should be completed on Seesaw by the following Wednesday. Children are encouraged to practise their weekly spellings and timetables on Spelling Shed and Times Tables Rockstars.

### Days/Dates to remember:

Mondays and Fridays are the days 3/4L class have P.E. Children should attend in PE kit on that day. We suggest jogging bottoms are still worn until the warmer weather arrives.
