

Has maths changed?

At Carlinghow Academy, we understand that many parents feel like maths has changed and that it's sometimes difficult to keep up to date with modern teaching methods. Well don't worry, we're here to help.

We along with over 80% of primary schools and a growing number of secondary schools using the White Rose mastery learning, supporting resources and assessments, we can help you bridge the gap between school and home.

White Rose Maths have teamed up with TV presenter, teacher and parent Michael Underwood to bring you a mini-series called Maths with Michael. We understand that many parents feel like maths has changed and can sometimes find it difficult to keep up to date with modern teaching methods in maths.

Follow the link to watch the videos. <https://whiterosemaths.com/for-parents/maths-with-michael/>

You can also collect the guides, on request, from our school, which go alongside the videos for each area: Place Value, Subtraction, Multiplication, Division, Fractions and Algebra.
