

CARLINGHOW ACADEMY

LOCKDOWN POLICY

Version Date:	September 2024
Authors:	Principal
Review Date:	September 2025

School Aims and Implementation

It is the primary aim of our school that every member of the school community feels valued, respected and that each person is treated fairly. We are a caring community, whose values are built on mutual respect for all in line with our equality policy.

Carlinghow Academy aims to provide children the opportunity to develop towards their full potential; academically, emotionally and socially:

- Providing the highest standard of education to enable children to acquire the skills, knowledge and concepts relevant to their future.
- Promoting an ethos of care, mutual respect and support, where effort is valued and success celebrated.
- Enabling children to become active, responsible and caring members of the school and wider community.

The school works towards these aims by:

- Promoting high quality learning and attainment.
- Providing a high quality learning entitlement and environment.
- Valuing each other and ourselves.
- Working in partnership with parents and the community.

Carlinghow Academy Lockdown Procedures

School recognises that, within its Emergency Procedures, a plan needs to be made to help combat a threat to children and staff which occurs where the threat enters the building. This policy sets out the school's response to such an emergency but recognises that it is impossible to legislate for every possible scenario so as to protect 100% of the children and staff 100% of the time. The policy, therefore, will need to be kept under constant review to reflect changing circumstances and experience. The policy applies at all times of the day and must therefore be shared with every member of staff.

Lockdown: an emergency situation in which people are not allowed to freely enter, leave, or move around in a building or area because of danger.

Calmness is the key

It is vital that the policy and its implementation, does not lead to a panic mentality. Children should be encouraged to treat any emergency with the utmost calm and follow the guidelines with common sense. They need to be taught how to respond through practice as well as through talk and this will be completed through assemblies and class discussion.

Threats

There are a number of possible situations which could be seen as a threat where it is safer for school pupils and staff to remain inside the school building:-

- An animal wandering into the school grounds.
- A stranger who enters or attempts to enter the school grounds.
- An object thrown into the school grounds from outside.
- The collapse of a tree, wall or fence etc.

However, this list is not exhaustive.

Raising the alarm

It is important that all people on site at the time of an emergency know that they need to respond at the earliest opportunity, reporting to the Principal/Vice Principal who will activate the Lockdown alarm to alert the rest of the school.

Overview of Procedures

- The Lockdown procedure will be signalled with the use of the lockdown alarm.
- Whilst the alarm is sounded staff must communicate the need to go into the building urgently by whatever means necessary.
- On hearing the signal all staff and children outside must return to their classrooms in a calm and orderly manner if it is safe to do so, or to the nearest classroom. All teaching staff must move to channel 8 on their walkie talkies.
- Staff and children who are already within the building must either remain where they are or return to their classroom if it is safe to do so. All teaching staff must move to channel 8.
- Any class teachers who are not with their own group of children at the time of the alarm must return immediately to their classroom and resume responsibility for their children if it is safe to do so. All teaching staff must move to channel 8.

- Staff in classes must complete a head count and check it against the number on the emergency class register ready to report to the Lockdown team when they make contact.
- Until the Lockdown team provide the Emergency code staff should follow **Code Amber**.
- Staff should follow the emergency code procedures provided until they receive further instruction from the Lockdown team.

Entrance/Exits

Once the Lockdown alarm has been raised entrances/exit doors must be locked. A key for each classroom is located on a hook behind the door-It is important that all staff and visitors know where this is!

Emergency Codes

- **Code Green: Staff and pupils must remain inside the school building but are safe to freely move around internally.**
- **Code Amber: Staff and pupils must remain inside their classroom with door locked and windows closed.**
- **Code Red: Staff and pupils must remain inside their classroom keeping low beneath and away from windows to reduce visibility, with door locked, windows and blinds closed and lights off.**

Lockdown Team

Marie Fishwick – PRINCIPAL

Asma Rawat – VICE PRINCIPAL

Toni Watson - SENDCO

Carla Astin – SAFEGUARDING AND ATTENDANCE SUPPORT OFFICER

Lorna Jackson – BUSINESS SUPPORT OFFICER

Debbie Greenwood – BUSINESS SUPPORT OFFICER

Khatija Salu-Huq – BUSINESS MANAGER

Paul Lodge - CARETAKER

Principal/Vice Principal Actions

- Assess situation and decide emergency code: Green/Amber/Red. Signal Lockdown procedure and raise the alarm. Communicate via walkie talkies Green, Amber or Red via channel 8.
- Lockdown team who are not in class to move to channel 7.
- Contact any necessary emergency services describing nature of incident and access point to grounds.
- Relocate staff and children if necessary. This includes sending support to staff on their own, relocating staff and children out of classrooms into other areas of the school building.
- Principal/Vice Principal to give the instruction for all clear (Via Walkie Talkies).
- Inform parents/carers after the event
- Principal to arrange counselling as necessary.

Lockdown Team Actions

- The Lockdown Team to communicate via channel 7 to reduce movement around school.
- The Lockdown Team will communicate with classrooms via walkie talkies, in order to establish the whereabouts of staff and children, confirm headcounts, provide information to staff and offer further instructions.

Teacher/TSA/Kitchen Team/ARP Team/Cleaning Team/Medical Needs Team Actions

- Return to or remain in class; or nearest occupied classroom if this is safer (Kitchen Team remain in Kitchen).
- Secure classroom doors and windows. Until the Lockdown team provide the Emergency code, staff should follow **Code Amber**.
- Account for all children and adults in their class, by way of register, headcount.
- Keep calm, vigilant and reassure pupils.
- The Lockdown team will contact you for status update and to pass on further instructions.
- Only contact the school office in an emergency, otherwise wait for information to reach you. If you do need to communicate with the Lockdown team switch to channel 7.
- Wait for the all clear instruction.

This policy will be reviewed annually with the Health and Safety Policy.
