1. Aims / Introduction

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils.
- Promoting good attendance and the benefits of good attendance.
- Reducing absence, including persistent and severe absence.
- Ensuring every pupil has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence.
- Building strong relationships with families to make sure pupils have the support in place to attend school.

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with our trust's funding agreement and articles of association.

3. Roles and responsibilities

 - Making sure all schools in the trust work effectively with local partners to help remove barriers to attendance, and keep them informed regarding specific pupils, where appropriate.
- Recognising and promoting the importance of school attendance across the trust and schools' policies and ethos.
- Making sure the schools' attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources.

- Monitoring attendance figures for the whole trust and school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs.
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance.
 - Making sure all staff receive adequate training on attendance, including with teachers from across the trust, as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance.
 - That absence is almost always a symptom of wider issues.
 - The trust and school's legal requirements for keeping registers.
 - The trust and school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate.
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data.
- Sharing effective practice on attendance management and improvement across the trust and providing regular opportunities for staff from different schools to come together, learn from each other and share resources.
- Holding the principals and heads of school to account for the implementation of this policy.

- The trust board will identify and monitor attendance patterns across the trust's schools to identify common issues and barriers, and share effective practice between schools.

The standards committee is responsible for monitoring pupil attendance. The link trustees are Ken Inwood and Jackie Nellis.

The link governor for attendance in the academy is Diane McConnell

3.2 Principal

The principal is responsible for:

- Supporting staff with monitoring the attendance of individual pupils.
- Monitoring the impact of any implemented attendance strategies.
- Issuing fixed-penalty notices.
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers.
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs.
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents.

3.3 The trust central school improvement team

The trust central school improvement team is responsible for:

- Driving attendance improvement across the trust.
- Working more intensively with schools who require support.
- Acting as a central contact point for schools with attendance queries.
- Liaising with the DfE's regional teams for advice about wider support programmes.

The trust central school improvement team, Jimmy Sayles (primary) and Roz Wood-Ives (secondary), can be contacted on 01422 761019 or by email j.sayles@greatheightstrust.org.uk or r.wood-ives@greatheightstrust.org.uk.

3.4 The designated senior leader responsible for attendance

The designated senior leader, also known as the 'senior attendance champion', is responsible for:

- Leading, championing and improving attendance across the school.
- Setting a clear vision for improving and maintaining good attendance.
- Evaluating and monitoring expectations and processes.
- Having a strong grasp of absence data and oversight of absence data analysis.
- Regularly monitoring and evaluating progress in attendance.
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff.

- Monitoring and analysing attendance data (see section 7)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the principal/head of school
- Working with education welfare officers to tackle persistent absence
- Advising the principal when to issue fixed-penalty notices

The attendance officers are Carla Astin and Farzana Akhtar and they can be contacted via office@carlinghowacademy.org.uk or 01924 326371

3.6 Class teachers

All class teachers/form tutors are responsible for recording attendance for both morning and afternoon sessions in Arbor on a daily basis, using the correct codes (see Appendix 1).

3.7 School office/admin staff

School office/admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on Arbor.
- Transfer calls from parents/carers to the attendance lead, Carla Astin, where appropriate, in order to provide them with more detailed support on attendance.

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not.
- All those who have parental responsibility for a child or young person.
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time.
- Call the school to report their child's absence before **9am** on the day of the absence and each subsequent day of absence, and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child.
- Ensure that, where possible, appointments for their child are made outside of the school day.
- Keep to any attendance contracts that they make with the school and/or local authority.

Seek support, where necessary, for maintaining good attendance, by contacting Carla Astin or Farzana Akhtar, who can be contacted via office@carlinghowacademy.org.uk

3.7 Pupils

Pupils are expected to:

Attend school every day, on time.

4. Recording attendance

4.1 Attendance register

School doors will open at 8:30am.

Pupils must arrive in school by 8:30am on each school day.

The register for the first session will be taken at 8:30am and will be kept open until 9am. The register for the second session will be taken at 1pm

Children arriving between 8:50am- 9:00am will be recorded as late. After 9am this will be recorded as an unauthorised absence.

We will keep an electronic attendance register on Arbor and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances
- Any amendment to the attendance register will include:
 - The original entry
 - The amended entry
 - The reason for the amendment
 - The date on which the amendment was made
 - The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record (for pupils of compulsory school age):

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances
- We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9am, or as soon as practically possible, by calling the school office staff, who can be contacted via 01924 326371 and office@carlinghowacademy.org.uk

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than five days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carers notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carers must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

Poor punctuality is not acceptable. If your child misses the start of the day they can miss work and do not spend time with their class teacher getting vital information and news for the day. Late arriving children also disrupt lessons, this can be embarrassing for the child and can also encourage absence.

How we manage lateness:

The academy day starts at 8.30 a.m. and we expect your child to be in class at that time.

Registers are marked by 8.50 a.m. and your child will receive a late mark if they are not in by that time.

At 9.00 a.m. the registers will be closed. In accordance with the Regulations, if your child arrives after that time they will receive a mark that shows them to be on site, but this will not count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a Penalty Notice if the problem persists.

If your child has a persistent late record you will be asked to meet with a member of our Leadership Team to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

4.5 Following up unexplained absence

The attendance team will attempt to contact the parents of absentees, before 9.30 am, where the reason for absence is not known. If no contact is made then the next numbers on the emergency contact list would be called, if after all numbers have been called and there is no reason/explanation then a home visit would be completed by the pastoral team. If the child has not been seen or a reason given then a welfare check could be made to the police. This is primarily to ensure that parents are aware that their child is not in school but also to establish the reason for absence and the safeguarding of the child. Pastoral team staff will also update Arbor and CPOMS accordingly.

4.6 Reporting to parents

Standard letters will be sent home when the reason for a pupil's absence is not clear, deteriorating or when a pupil is consistently late.

- If children's attendance continues to cause concern, the Safeguarding Officer will contact parents either verbally or by letter to arrange an Attendance Panel Meeting to discuss their child's attendance.
- The Attendance and Pupil Support Officer (APSO) will be notified in all cases where a pupil's attendance falls below 95%. 95% attendance is equal to 9 days absence in a year or 3 days in a typical term.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The principal/ head of school will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The principal/ head of school will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad.
- Attending an interview.
- Study leave.
- A temporary, time-limited part-time timetable.
- Exceptional circumstances.

A leave of absence is granted at the principal/ head of school's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as one off events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance.

Even when exceptional circumstances do occur, we may refuse to authorise leave in term time:

- When a child is just starting the academy. This is very important as your child needs to settle into their new environment as quickly as possible.
- Immediately before and during assessment periods (SATS)
- When a child's attendance record already includes any level of unauthorised absence.
- Where a child's attendance rate is already 95% or will fall to or below that level as a result of taking holiday leave.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via **the school office**. The principal/ head of school may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail).

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart.
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made).

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school.
- Attending another school at which the pupil is also registered (dual registration).
- Attending provision arranged by the local authority.
- Attending work experience.
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed.

Unauthorised absences are those which the academy does not consider reasonable and for which no "leave" has been given. This type of absence can lead to the Authority using sanctions and/or legal proceedings.

This includes:

- Parents/carers keeping children off school unnecessarily
- truancy before or during the school day
- absences which have never been properly explained
- children who arrive at school too late to get a mark
- shopping, looking after other children or birthdays

Family Holidays

School will not grant leave of absence for family holidays and any such absences will be recorded as unauthorised and reported to the APSO. Parents must fill in the school holiday form which can be obtained at the school office if requiring to take them out of school for a period of time. In line with current legislation Parents will be fined for taking their children on holiday during term time. A penalty notice is issued to each parent of each child. This is for £80 if it is paid within the first 21 days, increasing to £160 if paid after 21 days but within 28 days. Failure to pay the penalty notice could result in the local authority commencing legal proceedings against you for the offence of not ensuring your child's regular school attendance. If found guilty, you may be fined up to £2,500 and you will receive a criminal record.

5.2 Sanctions

Our trust schools will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The principal (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks).
- Whether a penalty notice is the best available tool to improve attendance for that pupil.
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution.
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences.
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far.
- Opportunities for further support, or to access previously provided support that was not engaged with.
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis.
- A clear timeframe of between 3 and 6 weeks for the improvement period.
- The grounds on which a penalty notice may be issued before the end of the improvement period.

6. Strategies for promoting attendance

Action aimed at improving attendance where attendance is a cause for concern:

- Meetings with parents to discuss strategies in school and at home which encourage regular school attendance and the production of an action plan for improving attendance.
- Pastoral Team pick up if required to help with attending school in exceptional circumstances.
- Use of Pastoral Team to build positive relationships with pupils and parents.

- Use of Peer Mentors to provide a social support network.
 - Use of methods for discouraging absence (i.e. meetings, letters home).
 - Extra help with work missed → In-school counselling.
 - Where intervention at the school-level fails to bring about an improvement in school attendance a referral to the Education Welfare Service must be made. The types of actions to be taken at the school-level and the trigger for referral to the Attendance and Pupil Support Service should be set through negotiation between the school and the APSO.
- For each school day that a pupil is in school they will receive a succeed point. These points will be accumulated throughout the year and children will be given termly opportunities to spend their points on a reward.
 - Good attendance will be celebrated with the award of class and individual certificates.
 - The class with the highest weekly attendance will receive a weekly reward.
 - Children with weekly 100% attendance will be put into a weekly attendance raffle.
 - Children with 100% attendance for a whole term will receive a certificate.
 - Children with 99%+ attendance for the whole year will receive a reward.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

Whilst any child may be off school because they are ill, sometimes they can be reluctant to attend school. Any problems with regular attendance are best sorted out between the academy, the parents and the child. If your child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and usually make things worse. Please contact us so that we can work together to ensure your child attends school with appropriate support and considerations in place.

7.2 Pupils absent due to SEND

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Following a lengthy period of absence the school will conduct a return to school meeting to ensure the pupil is well supported to make a smooth transition back into school. This will be bespoke to the needs and requirements of an individual pupil.

8. Attendance monitoring

The trust will identify and monitor patterns in attendance across schools in the trust.

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the local governing body and trust board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance.
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence.

The trust will conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends

- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.
- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools.

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis.
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below).
- Provide regular attendance reports to class teachers/ form tutors to facilitate discussions with pupils and families, and to the local governing body and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads).
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate.

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the trust's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence.
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education.
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school.
 - Listen, and understand barriers to attendance.
 - Explain the help that is available.
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions.
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant.
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence.
- Implement sanctions, where necessary (see section 5.2, above).

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the principal/ head of school. At every review, the policy will be approved by the local governing body.

10. Links with other policies

This policy links to the following policies:

Child protection and safeguarding policy.

Behaviour policy.
